DRAWING TRANSMITTAL WITH CERTIFICATE OF MAILING

Dear Sir:

Please replace Original Sheets "7 of 8" and "8 of 8" with the enclosed two "Replacement Sheets" bearing Figs. 15, 16 and 17. In the sectional views of Figs. 16 and 17, the sectional cross-hatching has been corrected to show the electrically insulating portions with alternating thick and thin diagonal lines, as required by the Examiner. This conformance to typical drawing standards does not introduce any new matter. All other original figures and sheets remain unchanged and without replacement.

Respectfully submitted,

Keiji KURODA et al.
